

 Department of Neurosurgery
Duke University School of Medicine

 Department of Biostatistics & Bioinformatics
Duke University School of Medicine

Computational Biology Lab

Students & Postdocs

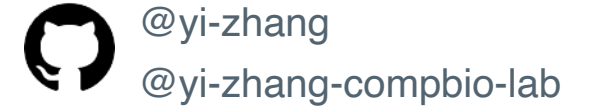

Welcome to join!

Yi Zhang, PhD

Assistant Professor @ Duke (2024 Jan-)
Research Fellow @ DFCI/Harvard (Current)

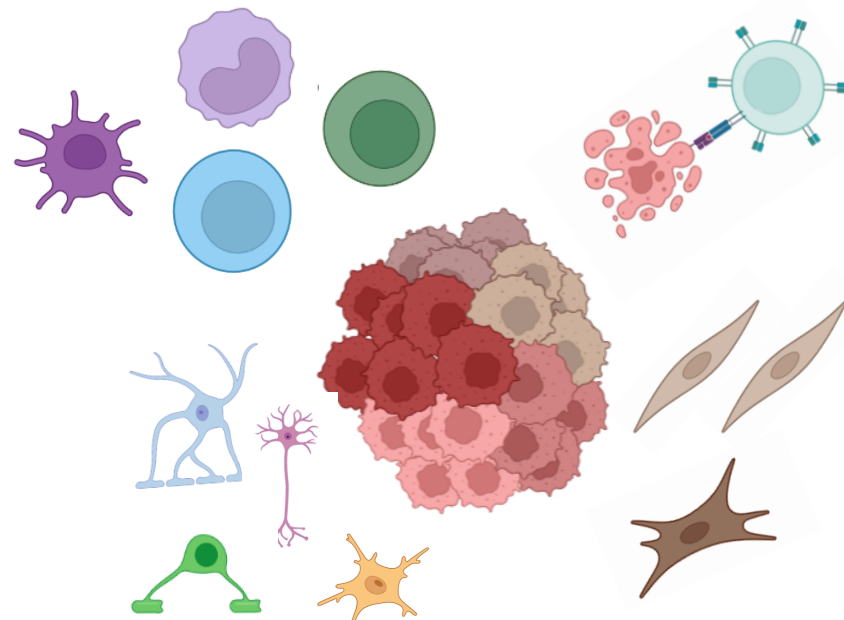

Email: yi.zhang@duke.edu

Website: yi-zhang-compbio-lab.github.io

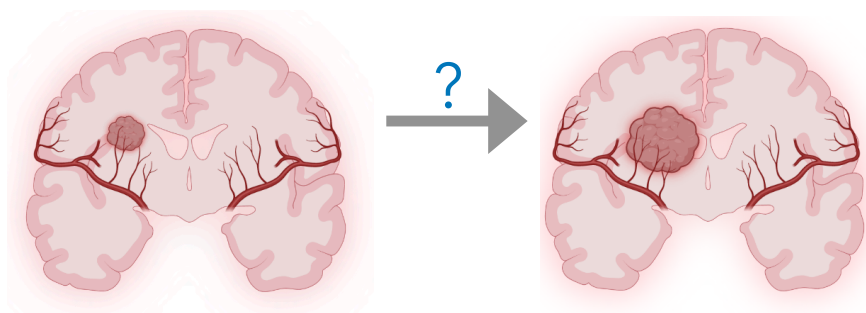

Multi-cellular Tumor Microenvironment

Tumor immunology

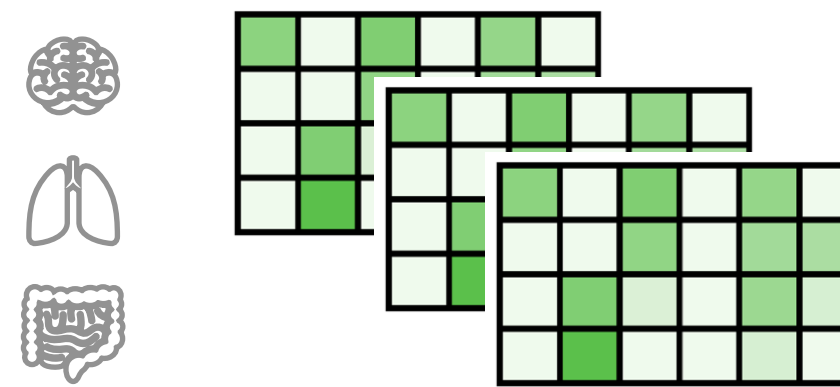

Brain Tumor Omics Program @ Duke

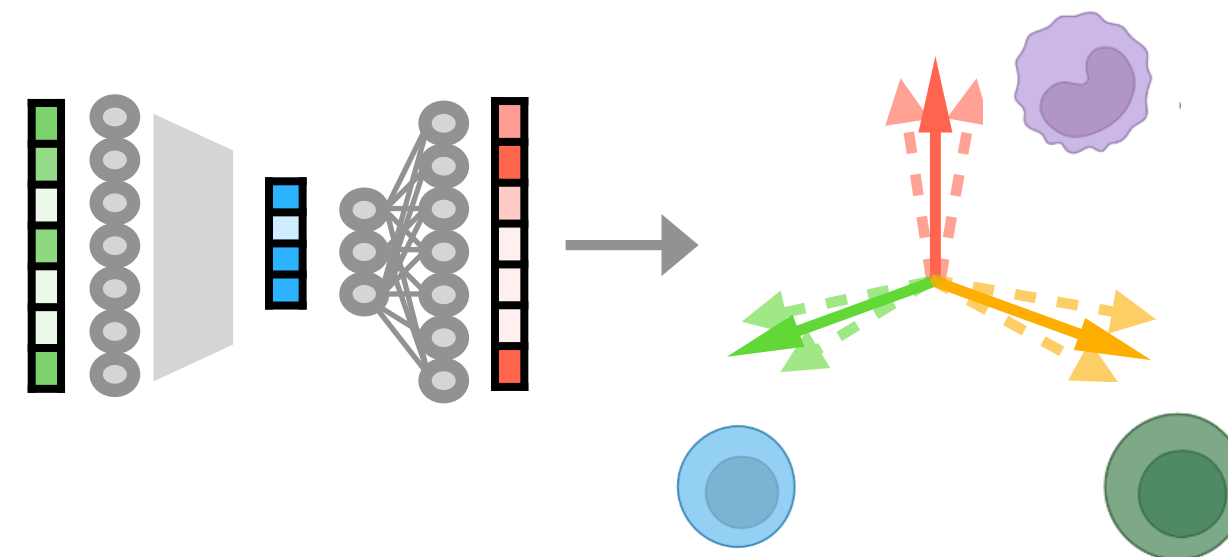

Machine Learning for Omics

Single-cell, multi-, & spatial omics

ML/AI models interpreting biology

Genetics & Functional Genomics

Disease-associated human genetics

Functional genomics
